Ihave to day visited the Imperial Service Lancers Hospital Dispensary. I found there the different rooms and wards clean and in good order, the drugs well arranged and all the various Medical and Surgical appliances for home and field duty quite up-to date and I must congratulate the Medical officer in charge Mr. R.P.Trivedi on the result of his exertions to make this an efficient and useful institution.

I have visited the Hospital from time to time and have always found it in good order and clean. Mr. Revashanker shows interest in his patients and in the Sanitation of the lines.

The Hospital thanks largely to the interest of the Chief Medical Officer, appears to the throughly upto date.

Sub Assistant Surgeon Mr. Revashanker Prabhashanker Trivedi - was under me at the Indian Troops Hospital for some months in - 1915, when he was with the N. I. S. Lancers. I had good o——— opportunities of seeing his Medical knowledge. He is a cheerfu man and made himself generally useful at a time when there was a great deal of work. I can strongly recommend him as a man one likely to get on well with his patients.

Dated—Poona City 27th Septr 1919

To, Rao Bahadoor Dewansahel, Sawanur State
District Dharwar

Respected Sir,

As notified in the Kesari-newspaper of the 23rd Instt, I beg to offer myself to serve as medical officer in the dispensary at Sawanur. I am a retired Sub-Assistant Surgeon and I had served previously in the Dispensary there as a medical officer on a lent service from the British Government from about 1891 to 1899. As regards to the testimonials, you should please refer to the remarks in the Dispensary Visitors Book in those years.

I hope you will kindly oblige me with the favour by sanctioning travelling allowance for my journey from Poona to Sawanur and back to Poona if latter required.

I beg to remain
R. Sir,
your most obedient Servant
Dutoo Laudoorang aplay
Retired Sub-Assistant Surgeon
Poona City

Rec 3/10 Bon

Bagewadi
1 — 10 — 1919.

Dear Sir.

After requesting to be excused for intruding upon your valuable time, I am taking this liberty of addressing this private letter, instead of a regular application about the post of the Sub Asstt Surgeon of Savnur. I am obliged to do this in order to elucidate certain information, in the absence of which, it would not be proper to submit a regular application.

2. The advertisement in "Kesari" of Poona plainly states that the State wants a retired Sub Asstt Surgeon on Rs 65/- P.M. only. So far as I knew one Mr Mahadev Amaram Bawdekar was at Savnur Dispensary. I would be obliged if I am kindly informed, to how and under what circumstances post of the Sub Asstt Surgeon of Savnur came to be vacant and what led to an open advertisement in the newspapers for a post

which was upto this time being automatically filled up by hands in Govt Service.

3. If the State has done this with a view to have its own independent Service, I would then humbly offer to suggest the following.

4 These are days of advancement and progress in every branch of Science, and if it is much more so, it is in the "medical Science". It is in the fitness of times, that, as the advertisement says "The Dispensary is well equipped and well Staffed". Does it not, then, follow that a really able and upto date Doctor should be placed in charge of the Dispensary to make real use of the "Equipment & Staff, so kindly placed at his disposal by the State in the true interests and to the best advantage of its Subjects?

5. In point of economy and expediency a retired old man on Rs 65/- p. m. may appeal on the face of it, but, on the score of utility in the real ~~interest~~ interests of the Subjects of such a progressive and model State of Bavnur, would be a regular "Set-back". A wrinkled hand with trembling nerves is not the hand from which any "Surgery" worth the name could be expected.

common specimens of "Medical Men" under the common epithet of "Sub Asst Surgeons". It should, therefore, be the look out of the employers to see that they are not by [illegible] by the common Hall mark of "Sub Asst Surgeon" but to see that their selection is guided and determined by individual ability and merit alone. It is not to be understood by this, that I mean any wanton offence in general to all "Retired" men. It is a plain Comparative St[illegible] of facts.

6. A standard, both efficient and as far as possible high, is to be maintained by putting in proper men in proper places. It would not be true economy to appoint an old retired ma[illegible] and allow many of the latest introduced drugs and appliances unused and allow the fine Surgical instruments of the "Well equipped dispensary to rust. Bactiriology, Microscope, Serum Therapy, Electro-therapy are things [illegible] unknown to retired men. It would

therefore

his venerable experience of old, antiquated methods of treatment will be found too old and dogmatic — by the rising and searching expectations of a "Public," which, as education advances, will be more and more intelligent pertinent and exacting. It was to meet this very difficulty, that, Government inti- - duced about 8 years ago — a new 4 years advanced course of instruction instead of the old 3 years, for Sub Asstt Surgeons and from 1917 made L.C.P.S (Bombay) Compulsory. [illegible] point of general education also, which goes a great way towards the general efficiency of a professional man, a University Qualification, has, I learn, been made Compulsory even for admission to the Class of Sub Asstt Surgeons from next year. So there is a wide difference between the old and the new Class of Sub - - asstt Surgeons. Unfortunately, under no Other Service known, have the best and the ablest intellects, been huddled together with the most ordinary and

therefore be not proper to appoint such men, nor, can the best interests of the people be served by putting in a brand-new M.B.B.S. who has taken leave of his books in the College, and, would have to begin practicing his bookish knowledge by experimenting on valuable human lives.

7. The right person, therefore, would be one who has put in atleast 10-15 years service, one who had varied experience, and above all, one who had the shrewdness to keep his eyes and ears open, to all the latest discoveries and advancements in his (medical) science and made some one of the branches at least his own (special) subject — and would thus justify to be called by the term experienced and update doctor

8. If the State after going over the above argument, is inclined to entertain a hand, answering all that is required of an all round medical man, I most humbly

Suggest myself as a candidate for the post.

My humble qualifications are:-

(1) General Education:- Matriculate Bombay University

(2) Medical Qualification:-

(a) " " Hospital Asstt - now - Civil Asstt Surgeon in 1904.

(b) " " Bactiriology (certified after Special course) Pasul Laboratory 1912.

(c) " " Ophthalmology (C.J. Ophthalmic Hospital) 1913. Has done over 600 Cataract extractions. own instruments & apparatus.

(d) " " L.C.P.S (Bombay) 1917.

(e) " " Special experience of the administration of "Salvarsan" or "Neo-Salvarsan" - (own apparatus) Specific for Syphilis.

(f) " " "Dentistry" 1918 Complete Knowledge with Self owned Complete instruments & apparatus.

(g) " " Special experience of Plague work + inoculation in —

— Navalgund Taluka —
awarded Certificate of Merit
and "Gold medal" through —
District Sanitary Association
Dharwar. Done over 14000
inoculations in one year
& a half in addition to
Routine Dispensary work.

If it comes to submission of a regular
application, it will go through the Civil Surgeon
Bijapur, who will endorse his ~~of~~ opinion
before forwarding it to the Surgeon General
for Sanction of transfer of Services to —
Savanur State. It may therefore take a
long time before it reaches you. So that
you may know the Civil Surgeon Bijapur's
opinion soon, I may post one applicati
to you direct through the Civil Surgeon &
and the ~~to Surgeon General~~. through
Civil Surgeon Bijapur + Surgeon General.

9. If the State Dispensary happens
not to be supplied with special Eye Instrument
or Dental instruments & apparatus

I shall be glad to lend my own Stock costing over Rs 1600 to the State.

10. The question now before you is, whether to entertain a Govt hand on Rs 95 + pension Contribution to what it might come to — and have an experienced all-round medical man, who is also an Oculist and Dentist Combined.

11. I have pleaded my case and it is left to you to decide. As for myself, I am quite confident that I shall be able to acquit myself to justify the extra recurring expense of about Rs 30 to 40 p. m. entailed by my appointment, by soon bringing the Sawar Dispensary to the status of a Miniature Niraj Hospital.

12. Conclusion & request.

If after reading this, rather a long private letter, the State is inclined towards the idea of having me, I may kindly be informed of the same, so that I may be able to

to submit my regular applications through proper channels

This letter may, if necessary, be kindly shown to His Highness the Nawab, if H. Highness happens to be there and also to the Head Master of the English School. Both being cultured gentlemen might agree with me in my views expressed.

Awaiting an early reply

Dewan
Savanur state
Savanur
Dharavar District
Bombay Presidency.

Respected Sir.

Having come to know that you are in need of a retired 1st grade Sub assistant Surgeon on Rs 60 in your honours estate, I beg to offer myself as a candidate for the same.

As per my qualifications I passed out from Madras medical College as a medical man and I worked in the British service for 25 years and I am now retired from service I worked in the department sincerely, loyally and strickly under the benign British Government. As per my age ~~is~~ I beg to state that my age is now 60 years.

After retiring from British service I worked for one year under His Excellency

the Nawab Bahramud Dowla Bahadur in the year 1917. as a family physician and Surgeon.

For which act of Kindness I shall as a duty bound ever pray.

Please my address :—
B. Rangiah Naidu
Retired 1st grade Sub asst Surgeon

I beg to remain
Respected Sir,
Your most obedient Servant
B. Rangiah Naidu
Retired 1st grade Sub asst Surgeon

6/10

To,

R. S. Kulkarni Esquire,

Dewan Savanur State,

S A V A N U R.

Sir,

I beg to submit this application of mine for the post of Municipal Secretary, as advertised for in the "Kesari".

2. I beg to state that I am a resident of Kolhapur, Brahmin by caste 44 years of age.

3. As for my qualifications I beg to state that I am a qualified Hospital Assistant of the B.J.Medical School, Poona having passed in the year 1899.

4. Shortly after passing I got a post in the Akalkot State where I served for a short time and while serving there got an appointment in the Radhanpur State which is a first class State in the Palanpur Agency and where I am serving in various capacities and holding responsible posts for the last 20 years. During my 20 years time I have acted as Chief Medical Officer & Health Officer of the State on many occasions and as Medical Officer to Her Highness the late Dowagar Rani Saheb, H.H. the late Nawab Saheb Mohmad Sherkhan, Her Highness the late senior Begum Saheb of Radhanpur and also as Municipal Secretary of the State and as such have acquitted myself to the entire satisfaction of my superiors.

5. About 3 years back I had been offerred a post of Rs. 100 p.m. in the War Hospital at Bombay, but being unable to get myself timely relieved from my present post, and also the post being temporary I did not accept it. I have herewith enclosed copies of letters from the Surgeon General with the Government of Bombay for your kind perusal. About 4 months back I was also offerred the post of Medical Officer of the "Foundling and Orphanage" at Pandharpur, but as private prac-

practice was not allowed, I refused it.

6. Since the last 4 years H.H. the Nawab Saheb has lent my services to his sister H.H. Bibi Mubarakbakhte Saheb of Junagadh. Before coming here I held the post of Assistant Medical Officer, S.J.Hospital Radhanpur.

7. I beg to enclose herewith my certificates & testimonials &c. for your kind perusal: these and the experience of 20 years service at my back will speak for themselves as to my fitness for the post applied for.

8. Before concluding, I beg to assure you, Sir, that if ever you are pleased to select me for the post applied for it shall be my sole aim and object to prove myself worthy of your selection.

I beg to remain,

Sir,

Most obedient servant,

L N Phansalkar

Junagadh,

9th September 1919.

Address:-

Dr. L.N.Phansalkar,
C/O The Superintendent, Administrator's office,
Junagadh, Kathiawar.

URGENT.

No. B/333 of 1916.
Office of the Surgeon General
with the Government of Bombay:
Poona, 5th February 1916.

MEMORANDUM.

With reference to his letter dated 31st January 1916, Mr. L.N.Phansalkar is informed that he should submit his application through his official superiors who would certify as to his fitness for the appointment at the War Hospital. He will get a salary of Rs. 100 per mensem which includes house rent and other allowances. If willing to accept the appointment. he should get himself registered under the Bombay Medical Act VI of 1912, and forward the original certificate from the Registrar, Bombay Medical Council, for perusal. His date of birth should be stated.

By order,
Sd. H.E.Stranger Leathes.
Major, I.M.S.
Personal Assistant to the
Surgn Gen. with the Govt. of
Bombay.

Administrator, Radhanpur State

Copy of a letter from Lt.Col. G.B.O'Donnell, administrator, Radhanpur State to Col. Sealy, Resident, Kolhapur.

Radhanpur, 8th May 1901.

My dear Colonel,

The bearer Mr. Laxmanrao Phansalkar is a Hospital Assistant in the service of the State, but he is anxious to get employment in his own country and has

has asked me for a note of introduction to you. He did good work during the famine and has done so since. So I have complied with his request. We are off to Mahikantha on saturday. Podehouse acts for me. I am glad to see you have got your extension and hope you are both well. With our kind regards to you both.

I remain.
Yours sincerely,
Sd/ G.B.O'Donnell.

(Extract from the Annual Report 1907)

Mr. Laxmanrao Phansalkar, Special Medical Officer, during the famine, also rendered efficient help.

Sd/ G.B.O'Donnell. Major,
Administrator, Radhanpur State.

Visited the Hospital this evening and was much pleased with the cleanliness and order in which everything is kept.

Sd/ G.J.Hydecate, Lt.Col.
P.A.Palanpur.

Radhanpur, 5-1-09.

Visited the Hospital this morning with Mrs. Hunter and was very pleased with all I saw.

Sd/ L.Jacob.
Wife of Capt.Jacob.
Administrator, Radhanpur State.

27-11-1902.

The Hospital which I visited this morning appears to be a great boon to the women in this State and was in excellent order.

Sd/ N.S.Coghill, Captain
Assitt.P.A.Palanpur.

Visited the Hospital this afternoon and found it clean

clean and in good order.....
The Hospital is no doubt a great boon to the women in the town.

Radhanpur. 31-1-06. Sd/ O.E.Hydecate,Lt.Col.

The Dewan Sawnur State

Respected Sir,

Having given to understand by your advertisement in Kesari that a post of a Subassistant Surgeon is vacant at Sawnur I most humbly and respectfully beg to apply for the same.

Although I am not a retired Subassistant Surgeon still my service in the Medical Department dates from the year 1892 in which year I passed the Hospital Assistants' examination at Poona Medical School.

For the first 8 years I served in the Baroda State but the chances of promotion to the second grade being not immediate I was obliged to resign that service & join the Indore State service in the year 1900, since which

P.S. I have been strenuously serving to this date. But since here the dispensaries being situated in small towns like villages are not remunerating I have applied for the post in your state.

The other reason for leaving this state is to try to give publicity to a spiritual power which has been kindly bestowed upon me by a benevolent Sadhu. This spiritual power is in the form of a mantra which cures all incurable diseases. The people in the Deccan being more educated might appreciate the wonderful effect of the mantra.

It is to be noted that I do not stop the medical treatment but take the aid of that power in those diseases which are not amenable to the medical treatment.

My present pay is Rs 55 plus Rs 10 dispensary allowance as the practice is almost nil here

I request therefore you will kindly encourage our spiritual science by employing me in your state

For this act of kindness I shall ever pray for your long life and prosperity

I beg to remain
Respected Sir
Your most obedient servant
Sitaram Shivaram Khare
Sub assistant Surgeon
Katha for Dispensary
via Harda
G. I. P. Ry.

P.S. as the Railway station from here is 50 miles & your state also is at a long distance please send the reply in a registered cover. I have enclosed here with postal stamps worth annas two and a half for registration

Rao Bahadur

R.S.KulKarni,

Devan, Savnur, Dharvar Disrict.

Sir,

I read your notice for the Medical Officer's post at your place in Kesari of Septr-last which came here by mail last week.

I solemnly consider that I am quite a fit person for your post in every respect if it is yet vacant & I shall do all duties of that post to your entire satisfaction.

I passed my examination at Poona B. J. Medl.school in 1889, served 15 years in India & 15 in this Colony. I worked at Savant-Vadi & Indore States for over 10 years and at the latter state I was the House Surgeon to Holkar Hospital, and was on temporary duties (Plague,Fever& Cholera.) in Bombay Presidency during the rest of the period,at several places.

Finally I was recommended by Colonel Roberts I.M.S. the Chief Medical Officer Central India in 1904 for a post xx with good salary,better prospects and pension in this British colony and I am glad to inform you that I am the first Indian pensioner from 1st instant of this Brit. Colony during the last 25 years of existance of Medical Department.

Every where I performed most popular services and in 1917 I was appinted acting Medical Officer of Kenya Province in this Protectorate the 1st Indian Medical Man to discharge the most responsible duties of The European Medical Officer, with 5 Dirict Dispensaries under that province to control.

Sir Bhalchandra Krishna Kt.J.P. L.M. Bombay,Dr. G.R. Tambe, M.A. B.Sc. L,M.S. State surgeon Indore, now in Nagpur side as Civil Surgeon and Dr. Tengshe Present Durbar Surgeon of Kolhapur know me and my professional abilities very well any one of them will further satisfy you if you at all need a reference about me .

I am going to get a free passage back to Bombay for self,my wife and children from this Govt and if I here from you my appointment at yours, I shall apply for it and come to Bombay

and thence straight to Savnur.

This application will leave Africa by next boat sailing for Bombay Bunder by end of this month and by or about the 15th proxime it should reach you.

It takes a very long time for a letter if not posted in time to reach here from India therefore I humbly request you to oblige me by sending me a telegram as under if you require my services.

I have the honour to be

Sir,

Your Most Obedient Servant.

S. V. Pant Waidya

Retired Sub Asst. Surgeon

Medical Department B.East Africa.

R. S. Kulkarni Esq.

Dear Sir,

I am sending you my application in which I could not say many things so I am stating them here.

My age is 52 and I got invalided before medical board for oldage & my health not agreable to African climate except here after to serve the Govt.

My wife - I have trained her in midwifery, compounding and general aid to medical & surgical practitioner. Now she is a competant midwife, a sound compounder and so on.

Indian merchants & my many friends are pressing me to stay here for a few more years and practice.

I am going to get Rs 62.8.0 my monthly pension that is Rs 50/= a year.

I am not attracted by your salary Rs 65/= a month, but I have done so for it is an independent post under you in a country we had never seen before and there being

a good field for private practice for myself & for my wife. And if we return to India there is a post ready for me & I can carry on with our useful work as soon as we land.

We ourselves (self & my wife) are not willing to stay in this foreign country. My wife though a trained lady at Hingne, Poona Mahila Vidyalaya, well versed in English and every thing, much prefers to be an Indian or Aryan orthodox. She is pressing me to go back home, this made me lay my application before you no sooner I saw your notice in Kesari.

Hon. Mr. V.V. Phadke Bar. at Law the leading pleader & member of H.E. Governor's Council here is going to India in December next with his family. They are our very sincere friends here and we might come home in their company. I have not settled any thing yet but I will do so if I hear from you your sanction to my appointment, otherwise I will rather stay here for some time more.

I did not enclose copies of many of my good certificates as I thought it was unnecessary. I already made a mention of my 30 years service at different places

and given you some names of big men in the medical line or Department for your reference. If you at all require any more information about me.

Perhaps my application would reach you too late. You could have given a couple months notice to receive applications to select the suitable man for your post. Indian Sub Asst. Surgeons in these days are doing duties all over the Empire and some of them are retiring too year after year.

You will very kindly send me a telegram if you yet have not found out any body for your post as per my request in my application. This wire will reach here on 17/11/19 as you will receive my application on or before 15/11/19 and it will give me enough time to leave here by the November steamer. There is one ship at end of every month for Bombay and one from Bombay here.

I am a [illegible] and I have two children and here I finish my lengthy story.

With our regards & best wishes.

Yours faithfully

S. Y. Pandhwandre

Contract Surgeon

Sir,

With reference to your memo No 1200 dated 28th instant, I have the honor to state that the rules fixed by Government regarding the charges to be paid by the patients of the Bribery villages & others would not suit well here. This has been already brought to the notice of His Highness as well as the Diwan also at the time of

visiting the dispensary on the 26th instant.

The practice of recovering the actual cost of medicines from paying patients will be brought into force in future as informed by the Dewan.

I have the honor to be,

No 12180 of 29 Dated 30 Dec 29

Respectfully Submitted. to Mr Harbon Capt Kawab Sahib Dilai Jung Bahadur for favour of perusal.

2) About July when the D/S visited the Dispensary, he found that the cost of medicine recovered from the paying patients was according to previous rates. As the stock of medicine was then shortly expected afresh, he instructed the S. A Surgeon to charge the paying patients according to the rates fixed for paying patients in the Govt Dispensary. The rates were higher than those levied by the S. A. S before

ing last. The S. A. Surgeon has again been ordered under the Office No referred to above by the S. A. S. on the 28th Inst. to receive the present cost of medicine from paying patients.

Memo

The malarial season having just commenced it is found advisable to afford medical aid to the inhabitants of the State villages, who generally suffer from malaria during the season. Therefore Illeh. Capt. Hanumantchari D.J.B. has been pleased to instruct the ~~Dep~~ ~~afford~~ deputy the senior compounder Mr G R Joshi to tour in the State villages ~~for 3 weeks every month~~ until further orders. The S.A.S. is hereby requested to ~~order the compounder~~ depute the senior compounder with the ~~required~~ necessary medicine to tour for 3 weeks in every month. He should spend one week at each tent in each of the 3 ~~such~~ groups. viz - 1 Chandapur group. consisting of Manur, Nandihalli, Neerlkatti, Mulkeri Tour, Hotahalli & Hulikatti & Chandapur. 2nd ~~group~~ Shidapur group viz - & & etc

He should maintain a register of patients & ~~open~~ prescription cases for ~~the~~ ~~and the case~~ in the same way as in the dispensary. He is

held responsible for the medicines given in his charge. The S.A.S. should inspect the accounts from time to time & report to the R.S. if he finds any deficiency or irregularity on the part of the Compounder.

The Compounder should correspond directly with the Village Officers regd. the distribution thereof.

Sanitary Department.

No. 2661 of 1919.

From

Dr. R. D. Dalal,

Deputy Sanitary Commissioner, G. R. D.,

To

The State Karbhari,

Savanur State.

Belgaum, 3rd October 1919.

URGENT.

Sir,

I have the honour to request the favour of your supplying at a very early date information regarding Leprosy in each village and town in your State as per following Statement:-

Leprosy Statement.

Name of Village or Town -
do Taluka. -
do State -

Serial No.	Full name.	Age.	Sex.	Caste.	Remarks.

While asking the information from the Village Officers you may add for their guidance that the salient features of the disease Leprosy are that it is a very chronic disease and is characterized by pigmentary changes in the skin, new growths in the skin, eyes, nose, mouth or throat giving rise to thickenings & nodosities or to numbness or increased sensitiveness of skin, or to ulcerations and contractions and mutilation of the extremi extremities i. e. hands and feet, and ask them to make a house to house visitation for Lepers and to submit the Statement called for.

The information is urgently required by the Sanitary Commissioner for the Government of Bombay and hence the request.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Sanitary Commissioner,

for G. R. D.

INSPECTION REPORT

C.M.15 e.

on the* State Dispensary at Savanur.

in charge of Sub Assistant Surgeon J. G. Kurlekar.

Questions.	Answers.
I. (a) Date of inspection ...	22nd February 1920.
(b) Date of previous inspection.	14th October 1919.
II. (a) Is the Dispensary public property or temporarily rented?	State property.
(b) Has it been specially built for out-door relief, or has it accommodation for in-door patients? If the latter, state the nature and express your opinion as to the sufficiency of the ward accommodation.	Has accommodation for 4 inpatients which is sufficient.
(c) Is the mortuary conveniently situated? Is it properly built, and is it well lit, furnished and arranged?	Yes.
(d) Are women and children separated from males in the outpatients' department? Are there separate dressing rooms for them and separate windows from which to receive medicines?	Women come to back verandah and men to front verandah. No separate dressing rooms.
(e) Do the annual repairs appear to be properly done? When were they last completed, and what sum was expended?	Annual repairs properly carried out, at a cost of about Rs.100.
(f) Have you any recommendations to make for improving the Dispensary building or its present arrangements?	No.

* State name, and whether Government, Endowed, Municipal or Local Fund, as the case may be.

Questions.	Answers.
(g) What recommendations as regards repairs, alterations, and fittings have been made recently? Have these recommendations been specially brought to the notice of the responsible authorities? What action, if any, has been taken by such authorities, and, where no action has been taken, what reasons have been given for non-compliance?	None.
III (a) Are the surgical instruments sufficient or otherwise? Are they in a good state of repair and clean? Name any that are not so. Are the surgical dressings carefully stored so as to protect them from dust & other impurities?	Instruments sufficient and in good order. Surgical dressings carefully stored.
(b) Are the medicines sufficient? If not, why not?	Yes.
(c) Are there any old and useless medicines or instruments in stock?	No.
(d) Are the Surgeon-General's orders as regards the storage of poisons strictly adhered to?	Yes.
(e) Are the stores in good order and neatly arranged?	Yes.
(f) Have you any remarks to make on the condition or sufficiency of the bedding and furniture of the Dispensary?	No.
IV. (a) Have the medical, *post mortem* and other records been correctly and neatly kept and written up to date?	Yes.

Questions.	Answers.
(b) As regards the *post mortem* records :-Do the examinations appear to have been properly and systematically conducted and do the opinions given appear to be well founded and properly expressed ?	Yes.
(c) Have all obsolete books and records been disposed of ?	Yes.
What has been the income of the Dispensary during the previous 12 months (1) from Hospital Fees, and (2) from the sale of drugs and condemned articles of equipment ? Have you any remarks to make under this head ?	Rs. as. p. (1) 102 - 6 - 3. (2) 18- o - o.
Where in-patient accommodation exists, are the diets suitable and economically provided ?	It found that inpatients provide their own diets-also that nothing has been expended on diets for pauper patients for many years. There is no cook.
(a) Do you think the Dispensary establishment efficient and sufficient? What changes, if any, have recently been sanctioned ?	The 2nd Compounder's pay has just been raisedto Rs. 10 P.M. He gets no war allowance or grain compensation.
Is the Dispensary provided with reasonably good text-books on the main branches of the medical profession?	Yes.
State your opinion of the professional efficiency and general good conduct of the Dispensary Medical Officer.	Good. Thoroughly acquainted with plague inoculation technique.
(a) How often did the Dispensary Committee visit during the preceding 12 nths?	4 times.

DIS 2

Questions.	Answers.
(*b*) Is the Dispensary Medical Officer often called upon to give assistance to parturient women? Do women apply for relief in diseases peculiar to themselves? Have they opportunities of obtaining female medical advice in the town or its neighbourhood?	Yes. Three times in past three months. Yes. No. The State is trying to engage a trained midwife.
(*c*) What epidemics have visited the town or district lately? Mention their cause, if known. Is there any endemic disease?	Malaria is endemic. Plague has recently been epidemic. Many inoculations against plague were done and only 2 inoculated persons died of plagu Mild Influenza recently.
(*d*) What are the prevailing diseases of the locality? Mention the chief causes of the annual death rate.	Malarial fever. Guinea worm.
(*e*) What is the result of your enquiry as to the water-supply? Are the wells so situated as to allow of soakage from surrounding dwellings, &c.?	There are several good wells also tanks. Guinea worm develops from the latter.
(*f*) State your opinion of the method of conservancy and disposal of refuse of the immediate srroundings of the Dispensary.	Refuse & night soil is removed and buried outsid the town. Immediate surroundings of the Dispensary are cle

Kitt.: are was a case of pneumonia

STA.

Pneumonia.

II The recent heavy rain has done good in washing out all dirt from the roads & gutters & has added a good deal to our general cleanliness of the town

(III) The water that takes the place of water from the town to the Bay is it to all appearances filthy water is spread on the roads surrounding for several miles. Several small pools of filthy water.

This would be a good nuisance to get

of the health of the neighbouring situated on the sides of the Nala should be improved, in case the Nala is not in any case to operations depth ; that is.

(IV) Between an English School on one side & the liquor shops & Mutton market on the other, the low lying area is being raised & renovated, by depositing the town refuse matter of every kind, on this area. This would be seriously injurious to public health particularly after rains when water will lying about decomposition & all kind of dirt stens therein.

This may be for the present connection with my earlier.

SAVANUR STATE
No 96 of 20
Dated 13/4/20
DISPENSARY

To,

Dr Cheribon Capt Nazabsahel
S.K.
Savanur.

Sir,

I went round the town yesterday. The General sanitary condition, seems to be satisfactory. Influenza, malaria, diarrhea, dysentry & all other diseases seem to be getting less, on account of the fine weather.

While taking the round, I happened to see some cattle tied near the Bhatareki Bavadi. I was told that these cattle belonged to a butcher. They were about 18 in numbers & were meant for Hubli Bazar. In that lot there were two milch cows & two good bullocks which were fit for agricultural purposes.

I request most humbly & respectfully pray your Highness to so.

that milch cattle & also cattle use fit for agricultural purposes are not at least taken out of the state jurisdiction.

There is a broad great scarcity in the supply of milk for infants & invalids & if an step is taken in this direction it will be a great boon upon the public.

I beg to remain
Sir.
Your most obdt. servt.

Dated 1-3-20
DISPENS

To,

Meherban Capt Nawab Sahib
Siler Jang Bahadur.
Savanur

Respected Sir,

As regards the supply of medicines for the villages I would humbly suggest the following:-

The villages of the State have been divided into 3 groups by the Dewan Sahib. I think three small cup-boards or medicine chests may be made, one for each group & kept at a principal village of that group. This individual cup-board should contain all the necessary medicines powders & dressing required

(II) A small hand medicine chest may be given to the Compounder on travelling duty. In this he may carry the drugs & things required for his visit for a particular village or patients.

The cup-boards would be kept in an Chawadi in safe custody of the Village Officers.

Registers of Cases treated &c may be kept in these cup-boards, one for each group, seperately.

I beg to remain
Sir,
Your most obedient servant.
V. G. Kirtikar

To,

Meherban Capt. Nawabsaheb Salarjang Bahadur Savanur State.

Sir, I respectfully beg to state that I have been serving at the Savanur State dispensary as an assistant compounder and dresser since 23rd January 1918 as per Huzur's order no 47/21-1-18 and doing my work to the medical officer's entire satisfaction. The medical officer has mentioned in his no. 175/2-1-18 that after a year's trial I may be given an annual increment of Rs 1 up to Rs 12 in case I do my work satisfactorily, which has already been approved by the Huzur in his no. 47/21-1-18. Now I beg to request that the Huzur may kindly allow me to draw an increment of Rs 1 (i.e Rs 10) from 23rd January 1920 for which I shall be ever grateful to you.

I beg to remain Sir your most obedient servant Biddappa asstt compounder & dresser Savanur State dispensary

Savanur State dispensary 14 11 January 1920
